STANDING FIRM FOR CHRIST  
ON GOD'S WORD

## ECONOMICS OF JUSTICE

Do absolute truth, justice, and morality exist? Yes. We need God's counter-cultural reminder of personal responsibility and accountability: We are owed nothing. We are expected to contribute to a just economy in this world. We will be accountable ultimately to God's eternal economy.

## DEFINITIONS

- "There is no absolute truth" is a statement assuming an absolute truth
- "You shouldn't judge someone else's moral choices" is a statement assuming that one is morally obligated not to judge
- Moral Argument for the Existence of God
  - If God doesn't exist, then objective moral values don't exist
  - Objective moral values DO exist
  - Therefore, God exists

WORD

**Obadiah 15** As you have done, it shall be done to you; your deeds shall return on your own head.

**2 Thessalonians 3:10** If anyone is not willing to work, let him not eat.

**Mark 10:45** For even the Son of Man came not to be served but to serve, and to give his life as a ransom for many.
